INTERNAL AUDIT REPORT

Mission Center Presidency and Conference
Greater Pacific Northwest Mission Center
Community of Christ

We have reviewed the financial statements of Greater Pacific Northwest Mission Center of Community of Christ for the year ended December 31, 2015. We have applied certain procedures, as described below, the purpose of which is to assist in evaluating the effectiveness of the internal control and in identifying any areas in which the accounting functions might not have captured all of the significant financial data. Additionally, these procedures are intended to meet the audit function required by the Presiding Bishopric's policies. This report is intended solely for the use of members of Greater Pacific Northwest Mission Center and the World Church Presiding Bishopric, and it should not be distributed to anyone who is not associated through these bodies.

Among the procedures conducted were the following: 1) Verification of cash balances and investment balances, 2) Review of all asset, liability and equity accounts as recorded in the general ledger, 3) Tests of transactions through the year pertaining to cash receipts, disbursements and journal entries including examination of paid invoices for appropriate documentation.

In our opinion as internal auditors the accompanying statements present fairly the financial position of Greater Pacific Northwest Mission Center as of December 31, 2015 and the results of its operations and changes in fund balances for the year then ended in conformity with generally accepted accounting principles.
