# SHARON WEST: CALLED TO EVANGELIST

*From Mission Center President Mike Bessonette:*

*On behalf of World Church leadership, I am pleased to announce that **Sharon West**, Cowlitz Valley Congregation, has accepted a call to Evangelist. Sharon's call will be presented at our annual Mission Center Conference on November 5, to share testimony and request sustaining votes. Please join me in sending good wishes to Sharon as she magnifies her ministry through this new priesthood call.*

**SHARON WEST** currently serves as pastor of Cowlitz Valley Congregation. Her focus within the priesthood has always been children's ministry, whether it be through Sunday school, reunions, or youth camp.

Before retiring from the City of Longview, Sharon volunteered for Cowlitz County's Emergency Support Shelter. Now, she can be found volunteering with the Longview Police Department and the Longview School District, or working as an emergency substitute teacher whenever needed.

Sharon is a registered member of the Yurok Indian Tribe and holds a Bachelor of Science degree in Behavioral Science from Linfield College. She enjoys reading, gardening, and water color painting; but most of all, she likes following the activities of her four children and eleven grandchildren with her husband, Clyde West.
